

Kirkbymoorside Town Brass Band Fundraising Update

007 – 31 May 2019

Activity Undertaken.

May has been very busy month

On the 5th May the Band played at the Kirkbymoorside 10K. Aswell as collecting during the day Joe Sails completed the kirkbymoorside 10k in a staggering 57 minutes carrying an E Flat bass. Spectators and fellow runners alike were astounded by the feat and the biggest cheer erupted as he ran down Kirkbymoorside main street. Joe was joined on the run by Matthew Baildon of JRA Computer services and between them they raised over £900.00 for the new band hall.

On the 10th May – The Community Band and Shining Brass Concert presented their *Journeys in Brass* at Helmsley Church. The Church had a full audience and £200.00 was raised, well done to all the Players and thank you to Rev. Robinson.

On the 18th May the Training Bands played at the Rotary Community Day in Pickering.

On the 19th May the Senior Band presented *Yorkshire Tunes and Tales* with Adam Collier. An enormous thanks to Adam for giving his time freely to the event and what a great evening was had with over £1000.00 raised. Thanks also to Summit Bakery for baking some wonderful curd tarts for the interval

A huge thank you to Pam Towler who has raised £260.00 for the band through her series of talks – thanks so much Pam.

A reminder that if you are planning activity and wishing to raise money on-line please can you use this page <https://uk.virginmoneygiving.com/charity-web/charity/displayCharityCampaignPage.action?charityCampaignUrl=kirkbybandhall> this is the best one for our use.

Upcoming Activity.
